Dear Hiring Manager:

As I am interested in web Development, I was excited to see your internship for MERN Stack.

I am a final year student with some knowledge in front-end and back-end development. I have been working with React JS, Node JS, Express JS and MongoDB for developing and maintaining web applications.

As I am looking for an internship at Wise-Admit which provides platform for web development work that is challenging yet fun with good compensation and learning opportunities. I am a hard worker and ready to learn any new skills as required by the company which can be an asset to the team.

I have attached my resume so that the hiring team can review my skills, experience, and qualifications.

Anyways, thank you for your time and consideration. Please feel free to contact me by mail or through LinkedIn message, if you have any questions or concerns.

Sincerely,

Nirjal Dahal
